OBJECTIVE

I am a self-taught front-end developer looking to transition into the tech industry. Although I work full-time to help support my wife and three kids, I am always looking to improve my skills – new and old – in computer science. I have recently discovered my passion for coding and remain determined to transform this passion into a career.

EXPERIENCE

Portfolio Manager | Essex Financial Services

2022 - PRESENT

I manage numerous investor assets and provide loan servicing needs such as escrow payments, financial analysis, reporting, and legal documentation management.

Disclosures Coordinator | Blue Spot Home Loans

2020 - 2022

Coordinated with Loan Officers to provide accurate loan estimates and compliance regulations for borrowers in residential mortgage lending.

Compliance Analyst | Goldwater Bank

2016 - 2020

Responsible for creating, modifying and finalizing legal documentation for client-facing team members in residential mortgage lending.

EDUCATION

Codecademy | Front-End Engineer

IN PROGRESS - 2024

Bachelor's of Music | Westmont College

2009 – 2013

General Education Degree | Buena High School

2005 – 2009
