## OBJECTIVE

I am looking to expand my skills with a transition into the tech industry or further expand my abilities in portfolio management. Although I work full-time to help support my wife and three kids, I am always looking to improve my skills (new or old) and my career in new ways. I have discovered a passion for coding and data and have experience with residential and commercial loan servicing.

## EXPERIENCE

### **Portfolio Manager | Essex Financial Services**

2022 - PRESENT

I manage numerous investor assets and provide loan servicing needs such as escrow payments, financial analysis, reporting, and legal documentation management.

### **Disclosures Coordinator | Blue Spot Home Loans**

2020 - 2022

Coordinated with Loan Officers to provide accurate loan estimates and compliance regulations for borrowers in residential mortgage lending.

### **Compliance Analyst | Goldwater Bank**

2016 - 2020

Responsible for creating, modifying and finalizing legal documentation for client-facing team members in residential mortgage lending.

## EDUCATION

### **Codecademy | Front-End Engineer**

2024 - 2025

### **Bachelor's of Music | Westmont College**

2009 – 2013

### **General Education Degree | Buena High School**

2005 – 2009
